Hello ISMA Members,
Happy Spring!!

I hope that you have been enjoying the spring days which are getting warmer.

We were able to have our Annual Board Meeting in-person for the second year in a row on April 28-30, 2023, in Edinburgh, Indiana. Southeast and East Central hosted the Conference. I want to thank the members of the Southeast and East Central District for hosting a wonderful and informative Conference. Our National Representative was Virginia Thomas, CMA (AAMA), AAMA Secretary/Treasurer, from Virginia Beach, Virginia.

I would like to congratulate our newest Honorary ISMA Member, James Ginder, MS, NREMT, PI, CHES, NCEE, PAI, Health Education Specialist for Hamilton County Health Department in Noblesville, Indiana.

We will be having our next meeting on Saturday, June 24, 2023, at the IU North Hospital. The address is 11700 North Meridian Street, Carmel, Indiana 46032. Phone number (317) 688-2000.

Mark your calendar for our 2024 State Conference to be held April 5-7, 2024, at The Purdue Union Hotel, in West Lafayette, IN. The Conference will be hosted by the West Central District.

The AAMA Annual Conference will be held September 22-25, 2023, at the Hilton Buena Vista, Orlando Lake Buena Vista, FL.

Remember that this is your organization so get involved whether it be at the local, state or national level.

Remember to always **“Reach for the Stars”** as a Certified Medical Assistant.

Dianne Wimsett, CMA (AAMA)

ISMA CODING CORNER

The Drug Enforcement Agency (DEA) and the Substance Abuse and Mental Health Services Administration (SAMHSA) introduced the new Medication Access and Training Expansion (MATE) Act which was included in the omnibus spending bill signed into law by President Biden in December. Effective June 27, 2023, physicians who prescribe controlled substances must document they have completed the 8-hour training with the DEA or renew their current registration. This documentation will be required before a new license is obtained or renewal of their current license.

The MATE Act is a response to the nation's overdose crisis to provide physicians training in substance abuse disorders. This will enable physicians/practitioners to screen more widely for substance use disorders, treat pain appropriately, prevent substance abuse, and save more lives. In Indiana, opioids continue to be the most frequent cause of overdose deaths.

Staggering statistics provided by the CDC: Nationwide, more than 840,000 Americans have died from drug overdose since 1999; 2020 was the deadliest year for drug overdoses since 1999 with more than 92,000 deaths. Males made up 64% of all overdose deaths in 2017 than females nationwide. The majority of overdose deaths are between the ages of 18-60. As a result, this has resulted in "overall decline of the life expectancy in the United States since 2016."

Since 2013, Indiana has consistently placed in the top half of the United States for the highest drug overdose death rate than the U.S. average with opioids being the main cause of death. Traditionally, males are the higher number of these deaths, although this number is increasing with females. Indiana State Police report the "current drug of choice" is fentanyl. It is illicitly manufactured, cheaper, and many users are combining the fentanyl with heroin and cocaine. Another problem reported by ISP is the use of a "counterfeit" medication or drug, meaning a drug or pharmaceutical item produced and sold with the intent to deceptively represent its origin, authenticity or effectiveness.

How can CMAs assist the healthcare practitioner? Since the medical assistant sees and prepares the patient before the physician enters the room, she/he recognizing the signs of addiction can report to the healthcare provider; provide office resources such as pamphlets for patients; and never judge that patient. Remember our creed: "I am dedicated to the care and well-being of all people."

Being no other nominations from the floor the membership nominations were closed. The bylaws allow for nominees to be elected by acclamation eliminating the necessity of casting a ballot. Marjorie Mikesell, CMA (AAMA) moved to accept the slate of officers presented by the nominating committee, Jeni Begley, CMA (AAMA) seconded the motion and motion carried, all in favor.
Election of Officers and Results	Pam Neu, CMA (AAMA), MBA – Med-A-Scoop Manager Website. Heidi Sisson, CMA (AAMA) - Treasurer Joyce Edds, CMA (AAMA) CPT (ASPT) Recording Secretary Paula Schubert, CMA (AAMA) CPT (IAPS) Vice President Dianne Wimsett, CMA (AAMA) President

Supplemental Reports of Standing Committee

Reports from standing committee have been added to conference booklet but we do have one report from Tammy Daily, CMA (AAMA), ISMA Liaison - There is a new federal law that requires all the EA registered practitioners to undergo a one-time AR training, requirement incorporating education on treating and managing patients with opioid or other substance use disorder. The second is that Cigna Insurance will require the submission of documentation to support the use of modifier 25 when billed with established patient ENN codes 99212 to 99215 and a minor procedure. Indiana State Medical Association will be having their 174th convention on September 8th-10th 2023 at Embassy suites in Plainfield, IN. We will be having a table and doing lanyards again for the members who are attending the convention. They may not have a booklet and may use an app to advertise with information, there is no cost for doing advertising on the app.

Unfinished Business

Adoption of Proposed Budget – Heidi Sisson, CMA (AAMA)- The proposed budget is on page 23-24.

La Trees Woodley, CMA (AAMA) wanted to know what the different balances were for. They are for a money market account and the other is a CD. Jane Seelig, CMA (AAMA) moved to accept the proposed budget for 2024, Paul Schubert, CMA (AAMA) CPT (IAPS) seconded and the motion was adopted by voice vote.

Due to the amount in our checking, we will no longer be publishing budget or financial reports.

2024 ISMA Annual Conference Report

Jeni Begley, CMA report is on page 42, she will be selling t-shirts. Secretary's Computer- Joyce Edds, CMA (AAMA), CPT (ASPT). The computer looked at by the Geek squad at Best Buy the computer is not working and the system is Vista and very old. This could be why the recording system is not working. They feel the cost would be more than buying something new. We must decide on what to do. Marjorie Mikesell, CMA (AAMA) asked what they thought a new one would cost. Jane Seelig, CMA-A (AAMA) suggests when we purchase a computer, we do a package deal and get the recording system to go with it so we know it is compatible. Since we are not sure what is needed, we should give an amount to be spent and if we do not use it all that is great. After more discussion Marjorie Mikesell, CMA (AAMA) moved that we allow \$5000 for computer and recording system for the secretary, Kit Stine CMA (AAMA) seconded motion, all in favor motion carried.

We will be making a \$100 to the Maxine Williams scholarship fund and to the Ivy Reade Relkins fund at National, Heidi will be sending the checks.

New Business

Adoption of Delegate/Alternate financial support proposal Paula Schubert, CMA (AAMA) CPT (IAPS) – Indiana can have 6 delegates and 1 alternate. We are asking to have 6 delegates and no alternate and use a proxy if needed, this could cut the cost down. We have \$10,500 for national conference and if divided by 6 they would get \$500 for room, \$400 registration, and \$800 for travel and food. If this is not all used, they will not get the unused amount, it will stay in the account. We will still be fully represented in the House of Delegates. Marjorie Mikesell, CMA (AAMA) moved to have 6 delegates and have a proxy vote if needed, Jeni Begley, CMA (AAMA) seconded the motion, all in favor motion carried.

Election of AAMA HOD Delegates (6) no Alternate
Members planning to attend AAMA Conference
September 22-25, 2023 in Orlando Lake Buena Vista, FL

The following members nominated

Karen Pershing, CMA (AAMA)

xKatie Largent, CMA (AAMA)

Joyce Edds CMA (AAMA) CPT (ASPT)

Brandi Gaumer, CMA (AAMA) AAS, COHC

Kit Stine, CMA (AAMA)

xJackie Raber, CMA (AAMA)

Due to not being on the board of directors or a president of a district we have a few who can not serve as delegate but may go to the conference. Katie Largent and Jackie Raber are not eligible to be a delegate this year. Marjorie Mikesell moved that we accept the slate as is and elect the slate block by acclamation. Jeni Begley CMA (AAMA) seconded the motion carried by voice vote. Our Delegates are
President – Dianna Wimsett CMA (AAMA)
Vice President – Paula Schubert CMA (AAMA) CPT (IAPS)
4 other delegates as follow:
Joyce Edds, CMA (AAMA) CPT (ASPT)
Kit Stine, CMA (AAMA)
Brandi Gaumer, CMA (AAMA) AAS, COHC

2025 AAMA National Conference Bid – The Indiana Society of Medical Assistants would like to put in a bid for Hosting the AAMA conference in 2025, Paula has the form for us to fill out. Karen Pershing, CMA (AAMA) moved to put our name in to host the National in 2025, Tammy Daily, CMA (AAMA) seconded and the motion carried.

HOSA Report – Pam Neu, CMA (AAMA), MBA, BOT. The HOSA Conference was held at the Marriott East Hotel in Indianapolis, IND, April 10 -12 2023. Our table with AAMA material placed on it was well received. Many took the brochures and handouts that we provided. It was a productive day with many participants wanting to learn more about the AAMA certification and why it is important to join. The CCMA is out there and we need to educate the future medical assistants and lead them to the AAMA credential.

AGENDA

USING A FIXED AGENDA

*ISMA follows an agenda, or order of business,
using parliamentary procedure.*

Here's a typical example:

Call to Order – *If a quorum is present, the President says “The meeting will come to order.” (A quorum is the percentage of members that must be present for business to be legally conducted.)*

Minutes – *The Recording Secretary reads a record of the previous meeting, unless it has been previously printed in the Med-A-Scoop, the state newsletter.*

Correspondence – *The Corresponding Secretary reads any communications that have been received since the last meeting.*

Officers' Reports – *Officers and standing (permanent) committees may report on their activities.*

Reports of Special Committees – *Special (temporary) committees report on tasks for which they were created, e.g., ISMA Conference Committees.*

District Reports – *The directors of each district report on their activities and the current number of members.*

Unfinished Business – *This is business that has come over from the previous meeting.*

New Business – *New topics are introduced.*

Announcements – *These inform the attendees of other subjects and events.*

Adjournment – *The meeting ends by general consent (no further business) and the President's announcement of adjournment.*

DEADLINE IS FIRM! NO EXCEPTIONS!

You're in for Urine

When educating patients about their body systems we want to keep it basic. When discussing urine and the urinary system this can sometimes confuse the patients that don't realize that kidneys aren't apart of the GI tract. There is no connection from the stomach to the kidneys.

Let's break this down, after drinking a glass of water, the water goes into the stomach, from the stomach into the small intestines where the walls of the intestines absorb nutrients and water. What is absorbed makes its way into the bloodstream. Urinary system is attached to a large vein and large artery the kidneys then remove waste products and excess water from the blood. This can happen in as little as 5 minutes if it's only water, it takes longer if there are other contents in the liquid that need to be digested. The kidneys are always producing urine to release the excess liquids from the body.

The patient needs to collect a clean catch urine sample, older practice is to give the patient only one cleansing wipe, this is now three wipes. Obstetrical Wipes are my go-to wipes for CCMS (Clean Catch Mid-Stream) samples they are made to be used in sensitive areas. Castile Soap wipes are also often used, I prefer to use castile soap wipes for anything completed in the office that used lube to help the patient clean themselves. Instructions to use with assigned female at birth patients is using one wipe clean one side of the labia (folds of vagina), discard wipe. Repeat, New wipe, cleanse other side of the labia. New wipe, cleanse down the middle. Continue to hold the folds open and begin urinating into the toilet. Bring the urine cup into the stream and collect a clean, mid-stream specimen. It's ideal for the patient to stop the stream and continue again in the cup, but some patients have a hard time with this. Assigned male at birth patients retract foreskin (if needed) and use the one wipe to clean one side of the head of the penis, another to cleanse the other side and one over the middle. Most likely the patient will use one wipe and clean the entire head of the penis.

Urine cannot be at room temperature for longer than 60 minutes, it is best practice to examine the urine in the first 30 minutes after collection. Urine will start to do a lot of things after prolonged periods at room temperature, it starts around 30 minutes at room temperature. The color will become darker, the turbidity increases, Nitrites will increase due to the bacteria production which with the increase in the numbers of bacteria will cause an increase in foul-smelling odor. Acetoacetic acid decreases, it's converted into acetone that will evaporate. Ketones decrease because of the evaporation of acetone in the urine, Glucose decreases, both Bilirubin and Urobilinogen will decrease which can cause color changes from Bilirubin yellow to green and Urobilinogen orange red. Red blood cells rupture, White blood cells break up into small parts. A lot of changes can happen in the urine just by being left at room temperature, a lot of these changes can change the way the provider will treat the patient. Always place urine in the fridge until the end of day, just in case the provider wants to order an additional test.
